Subject: PRESS RELEASE 05/27/15 - Road Closure - Lindsey Street

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: May 27, 2015

Contact: Mark Daniels, City Utilities Engineer, (405) 366-5443, mark.daniels@normanok.gov

Road Closure – Lindsey Street

Lindsey Street will be temporarily closed at seven locations between 24th Avenue SW and McGee Drive. **Weather permitting; this work will be performed beginning at 7:00 p.m. Wednesday, May 27th, and reopening at approximately 7:00 a.m. on Thursday, May 28th.** Warning and detour signs will be placed to assist the motoring public. Drivers are urged to use alternate routes.

McKee Utility Contractors, under contract with the Norman Utilities Authority, is currently installing a new 24-inch waterline along Lindsey Street from 24th Avenue SW to Berry Road. The waterline is essentially complete to McGee Drive and repairs to the Lindsey Street road surface are now required. The water line crossed Lindsey Street at seven locations; the temporary gravel surface must be removed and replaced with a permanent concrete surface.

Other street closures will be issued as required during project construction. Weather permitting; the Lindsey Street Waterline Improvements should be complete by September 2015.

Contact Mark Daniels, City of Norman Utilities Engineer, at mark.daniels@normanok.gov or 366-5443 or with questions.
